

# Aerospace and Defense 'XQ' SMD HQ240 Package Product Discontinuance

XCN10020 (v1.0) March 22,2010

Product Discontinuance Notice

## Overview

The purpose of this notification is to communicate that Xilinx is discontinuing certain additional Aerospace and Defense SMD HQ240 package part numbers. This discontinuance is an extension to previous [XCN09001](#).

## Description

Due to the assembly supplier discontinuance, Xilinx is discontinuing all Aerospace and Defense 'XQ' products that are assembled in the HQ240 package. For additional information, please reference [XCN09001](#) which is the primary discontinuance for this package on other devices.

## Products Affected

The table below contains the additional affected part numbers that are being discontinued.

Table 1: Aerospace and Defense SMD Product Affected

SMD Part Number	Replacement Part
5962-9957301NTB	No direct replacement
5962-9851001NTB	No direct replacement

## Key Dates and Ordering Information

Final orders are accepted until April 27, 2011.

Final deliveries must occur on or before October 27, 2011.

Return Material Authorizations (RMA) will be accepted until April 27, 2012.

## Response

Limited quantities are available for last-time-buys. Customers are requested to place last-time-buy orders in a timely manner. When available inventories are exhausted, orders will not be accepted, even before the final order acceptance date above. All orders will be supported on a first-come, first-served basis with the non-cancellable and non-returnable (NCNR) condition. For additional information or questions, contact your local Xilinx Sales representative.

**Important Notice:** Xilinx Customer Notifications (XCNs, XDNs, and Quality Alerts) can be delivered via e-mail alerts sent by the MySupport website (<http://www.xilinx.com/support>). Register today and personalize your "MyAlerts" area to include Customer Notifications. Xilinx MySupport provides many benefits, including the ability to receive alerts for new and updated information about specific products, as well as alerts for other publications such as data sheets, errata, application notes, etc. For information on how to sign up, refer to [Xilinx Answer Record 18683](#).
